### About Goodman European Partnership (GEP)

GEP is a €2.3 billion pan-European investment vehicle with a portfolio of 100 assets in 11 countries and boasts strong performance metrics as demonstrated by a 97.9% occupancy rate and a portfolio weighted average lease expiry (WALE) to first break of 4.8 years (as per 30 September 2015). As per 1 November 2015, Goodman European Logistics Fund, FCP-FIS (GELF or Fund) has been rebranded to Goodman European Partnership (GEP or Partnership), with a goal to more appropriately reflect the long-term partnership approach taken on property investment alongside global investors. While this initiative will not impact the day-to-day operations of GEP, the new naming convention has started to appear throughout all marketing and communication materials from 1 November 2015. All references to GEP or Partnership are references to Goodman European Logistics Fund, FCP-FIS, which has retained its existing legal name and legal form.
